

The table below shows two performance indicators of the seven District Health Centres (DHCs) on life course preventive care for reference.

DHC performance indicator	Target	Performance of the 7 DHCs
1. DHC new members received information and knowledge on life course preventive care (LCPC) together with individualised LCPC health advice (April 2024 – September 2024)	≥ 80% of new members	90%
2. Seasonal flu vaccination rate (2023 – 2024)	≥ 40% of DHC members at age ≥ 50	54%
